Dear Friends,

God is moving quickly, and I am humbled to share several major breakthroughs for the CCross ? Whole-Life Healing Ministry.

Over the past few weeks, our foundational infrastructure has come together to ensure we can reach, serve, and protect every soul seeking Whole-Life Healing. Here are the key milestones we have just achieved:

Google for Nonprofits Approval: Officially approved, giving us full access to enterprise tools to run ministry operations smoothly and securely.

YouTube for Nonprofits Approval: Unlocked advanced features, giving us a platform to broadcast our teachings, video testimonies, and messages of Truth to a global audience.

Google Ad Grants Awarded: Granted \$10,000/month in in-kind search advertising. This allows us to connect directly with individuals searching online for spiritual, mental, physical, emotional, and environmental healing.

Legal Establishment: Our legal team has reviewed our corporate structure, filings, and 501(c)(3) status and confirmed that the CCross is fully established, compliant, and legally on track to fulfill our mission to help every soul be saved.

Every tool, grant, and approval we receive is dedicated entirely to serving as a clean, unhindered vessel for Christ's Grace. Thank you for your continued prayers and support as we build this diagnostic tool and ministry for the world.

In Christ,

clay
